Dear The Honorable Ajit Pai, Chairman,  
The Honorable Michael O'Rielly, Commissioner,  
The Honorable Brendan Carr, Commissioner,  
The Honorable Jessica Rosenworcel, Commissioner

Public access centers are incredibly important resources that are vital to communities across the nation. These centers serve the underserved and provide media training and tools necessary for these voices to be heard. By cutting the funding to these centers you are cutting the voices of our local communities. I strongly disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05-311. Please protect these centers and our local voices! Have a heart and protect their funding!
